

FIG. 1 is a perspective view of a building structure 10, including a main building 11 and a tall, narrow structure 12. The main building 11 has a door 13 and a window 14. The tall structure 12 is composed of a series of stacked rectangular sections 15, each with a horizontal band 16. The structure 12 is supported by a base 17. The building structure 10 is shown in a perspective view, with the main building 11 and the tall structure 12 being the primary components. The door 13 and window 14 are located on the main building 11. The stacked sections 15 of the tall structure 12 are separated by horizontal bands 16. The base 17 supports the tall structure 12.
